John
And that my friends, is how the little angel came to be on top of the Christmas tree! ☺ ggd

JESUS became our gift and died on a tree (cross). ☺ ggd

While Santa Claus puts gifts under your tree ...
JESUS gives you joy that is your strength.
Santa Claus may make you chuckle but ...
JESUS is the King of Kings.
Santa Claus is a "jolly old elf" ...
JESUS makes new life, mends wounded hearts, repairs broken homes and builds mansions.
Santa's little helpers make toys ...
JESUS says "Cast all your cares on me for I care for you."
Santa Claus says "You better not cry" ...
JESUS offers health, help and hope.
All Santa Claus can offer is HO HO HO ...
JESUS has a heart full of love.
Santa Claus has a belly like a bowl full of jelly ...
JESUS knew our name before we did. Not only does He know our name, He knows our address too. He knows our history and future and He even knows how many hairs are on our heads.
Santa Claus doesn't know your name, all he can say is "Hi little boy (or girl,) what's your name?"...
JESUS lets you rest in His arms.
Santa Claus lets you sit on his lap ...
JESUS is as close as the mention of His name.
You have to wait in line to see Santa Claus ...
JESUS stands at your door and knocks, and then enters your heart when invited.
Santa Claus comes down your chimney uninvited ...
JESUS supplies all your needs.
Santa Claus fills your stockings with goodies ...
JESUS is an ever-present help.
Santa Claus comes but once a year ...
JESUS rides on the wind and walks on the water.
Santa Claus rides in a sleigh ...
JESUS is everywhere.
Santa Claus "lives" at the North Pole ...

Merry Christmas! | Happy Hanukkah! | Happy Kwanzaa! | Feliz Navidad!

"Laughter Is The Best Medicine!"

Not long ago and far away, Santa was getting ready for his annual trip...but there were problems everywhere: Four of his elves were sick, and the trainee elves did not produce the toys as fast as the regular ones so Santa was beginning to feel the pressure of being behind schedule.

Then Mrs. Claus told Santa that her mom was coming to visit. This stressed Santa even more. When he went to hang up the reindeer, he found that three of them were about to give birth and two had jumped the fence and were out, heaven knows where. More Stress. Then when he began to load the sleigh, one of the boards cracked and the toy bag fell to the ground and scattered the toys. So, frustrated, Santa went into the house for a cup of coffee and a shot of whiskey.

When he went to the cupboard, he found the elves had hidden the liquor and there was nothing to drink. In his frustration, he dropped the coffee pot and it broke into hundreds of little pieces all over the kitchen floor. He went to get the broom and found that mice had eaten the straw it was made from. Just then the doorbell rang and Santa cussed on his way to the door. He opened the door and there was a little angel with a great big Christmas tree. The angel said: "Where would you like to put this tree Santa?"
