A lady lost her purse in the bustle of Christmas shopping. It was found by an honest little boy and returned to her. Looking in her purse, she commented, Hmmm ... that's funny. When I lost my bag there was a \$50 bill in it. Now there are fifty \$1 bills? The boy quickly replied ... that's right lady - the last time I found a lady's purse she didn't have change for a reward!

It was the day after Christmas at a church in California. The pastor was looking over the cradle when he noticed that baby Jesus was missing from among the figures. Instantly, he turned, went outside and saw a little boy with a red wagon. In the wagon was the figure of the little infant, Jesus. The pastor walked up to the boy and asked, "Well, where you got Him, my little brother?" The little boy replied, "I got him from the church." "And why did you take him?" The boy said, "Well, about a week before Christmas I prayed to the little Lord Jesus that if he would bring me a red wagon for Christmas I would give him a ride around the block in it."

It was Christmas and the judge was in a jolly mood as he asked the prisoner, "What are you charged with?" "Doing my Christmas shopping early", replied the defendant. "That's no offense", said the judge. "How early were you doing this shopping?" The convict replied, "Before the store opened."

Two blondes traveled 2 hours from town and walked deep into the woods searching for a Christmas tree. They were all warmly dressed from head to toe carrying their saw, hatchet and a rope to drag the Christmas tree back to the car. They had thought of every little detail planning this trip and were so determined to find the perfect Christmas tree that they searched for hours slugging through knee-deep snow, blistering wind and weren't even distracted! Finally, five hours had passed and the sun was beginning to set, so one blonde turned to the other blonde and said, "I GIVE UP! I CAN'T TAKE THIS ANYMORE! There are hundreds of beautiful Christmas trees all around us. Let's just cut one down whether it's decorated or not!"

One day a man walked into a bar and sat down next to a guy with a parrot on his shoulder. The bartender said, "Cute parrot, does he talk?" The guy with the parrot says, "He does more than just talk, watch." The guy lit a match and placed it under the parrot's left foot. Then the parrot started singing "Jingle Bells", it was a Christmas Parrot. The guy then placed the match under the right foot and the parrot then started to sing "The 12 days of Christmas." The bartender said, "That's incredible". He then asked, "What does he say when you place them between his feet?" The guy said, "You know I never tried that, let's see." When the match was placed between the feet of the parrot the parrot began to sing a familiar tune ... "Chesnuts roasting on an open fire."
