[WE CARE](#)

For each new morning with its light, For rest and shelter of the night, For health and food, For love and friends, For everything Thy goodness sends. **Ralph Waldo Emerson (1803-1882).** "Blessed are those who mourn, For they shall be comforted." **Matthew 5:4 NKJV** We wish health/wellness to all past/current members! ggd@

[Highlights From June's Meeting:](#) **Doctors Of Chiropractor - Richard and Sherry Rosado** - enlightened us with "neurologically-based" chiropractic practices, services and resources. "Life" flows up/down ... inside/out via our body's nervous system. Anything that blocks the natural "life flow" can be corrected with gentle, consistent, body manipulation. Locally - **Renovation Chiropractic's** mission is "to deliver a natural, drug-free answer to common health issues that plague our community."

The natural, drug-free approach of *Neurologically Based Chiropractic* delivers exceptional results. Each specific, scientific chiropractic adjustment (torque release technique) helps release pressure off of the nerve system allowing your body to function at its optimal level. This results in creating healthy cell metabolism, proper organ function, increased energy, better movement, a stronger immune system, and restoration of mental and physical well-being. Brochures were provided along with complementary scheduled screenings. Please contact the office at **478/333-6134** or visit them online at www.RenovationChiropractic.com

Briefly discussed our chapter's donations/support to the Warner Robins Recreation Department, Salvation Army and Meals On Wheels.

Special Guest: My mother ... Ms Alberta Davis (Memphis, TN) ggd ☺

Welcome new member **Anita V. McGhee!** Thank you for joining our chapter! Following "formalities/business" we had an enjoyable "all you can eat/calories not included" picnic!

Anita McGhee

He returns from the kitchen after a few minutes and says, "No senior, the cook say no Mexican Jews." Abe isn't satisfied and asks, "Are you absolutely sure?" The waiter, realizing he is dealing with "Gringos" replies, "I check once again, senior," and goes back into the kitchen. While the waiter is away, Sid says, "I find it hard to believe that there are no Jews in Mexico. Our people are scattered everywhere."

The waiter returns and says, "Senior, the head cook Manuel, he say there is no Mexican Jews." "Are you certain?" Abe asks again. "I just can't believe there are no Mexican Jews!" "Senior, I ask EVERYONE," replies the exasperated waiter. "All we have is Orange Jews, Grape Jews, Prune Jews, Tomato Jews and Apple Jews, but ... w-a-i-t f-o-r it ... no Mexican Jews." (Thanks Ms Ivis) ggd ☺

"Little Known" Benefits For Older Veterans

There's a little-known benefit that can help with the care of older veterans or their surviving spouses. It can be used for to cover the cost of caregivers (including adult children) in the home or to pay for an assisted living facility or nursing home. The Department of Veterans Affairs benefit is called the **Aid and Attendance and Housebound Improved Pension** benefit. Of the 1.7 million **World War II** veterans alive as of **2011** and who were in need of caregiving assistance and eligible, only 38,076 veterans and 38,685 surviving spouses were granted the A&A benefit that year. The benefit — up to \$2,019 a month for a veteran or up to \$1,094 a month for a surviving spouse — may be used to help a person stay at home longer and avoid going to a nursing home before it's medically necessary.

It may also help the family preserve life savings. Veterans who served during **World War II**, the **Korean War** and in **Vietnam** could be eligible for the benefit. The nonprofit **VeteranAid.org**, founded by a woman whose parents were eligible for the aid, but didn't find out in time, also provides information about A&A eligibility and how to apply. - **www.VeteranAid.org** -

"Unique" American Travel Experiences!

See Four States At Once - For an unlikely "selfie," visit the Four Corners Monument, the only point in the United States where four states converge. Some 250,000 visits travel annually to the bronze disk landmark near *Teec Nos Pos, Arizona*, which is surrounded by seals and flags that honor the spot where Arizona, Colorado, New Mexico and Utah meet!

Enjoy The World's Largest Stamp Ball - Weighing in at 600 pounds and measuring 32 inches in diameter, this massive ball of stamps (and spit) is the work of the Boys Town Stamp Collecting Club! Currently on display an the Leon Myers Stamp Center in Boys Town, Nebraska, the ball was constructed in the 1950s and is composed of approximately 4, 655,000 postage stamps!

Sail The Lost Sea - America's largest underground lake is tucked away beneath Tennessee, according to the Guinness Book of World Records. After you tour the caves 140 feet below grown, hop into a glass bottom boat to float across the Lost Sea and spot large collections of wild-looking cave formations and 20,000-year-old jaguar tracks! **PERSONAL NOTE:** In early June (2010) my wife, grandson and I visited **The Lost Sea** (Sweetwater, TN) ... very impressive and educational experience! It's possible - someday - we'll visit those other locations as well! **ggd** ☺

John is out with his friends and stops by his grandmother's house for a visit. There's a bowl of peanuts on the coffee table, and John and his friends start snacking on them. When they're ready to leave, his friends say, **"Nice to meet you, ma'am, and thank you for the peanuts."** Grandma says, **"You're welcome. Ever since**

I lost my dentures, all I can do is suck the chocolate off of them. ☺

Two old Jewish men, Sid and Abe, were dining in a Mexican restaurant one day. Sid asks Abe, **"Do you know if any people of our ancestry were ever born and raised in Mexico?"** Abe replies, **"I don't know, let's ask our waiter."** When the waiter arrives, Abe asks, **"Are there any Mexican Jews?"** The waiter says, **"I don't know senor, I ask the cooks."**
