Real Possibilities

November 2014

Dear Warner Robins Chapter #1952 of AARP, Inc.

On your 40th Anniversary, we would like to extend our personal congratulations and best wishes to the officers, directors and members of your outstanding organization. We are grateful for the efforts of your chapter's leaders and members over the past 40 years to achieve the goals of AARP in your community.

You should take special pride--as we do--in the continued success of chapters throughout the nation. The members who founded your chapter shared the vision of AARP's founder, Dr. Ethel Percy Andrus, by bringing members together "To Serve, Not To Be Served." I know you share that commitment as well.

Your chapter's information and education programs, legislative advocacy efforts and community service activities, all of which draw strength from the fellowship of your members, benefit not only AARP, but also your community, your state and the nation. By pooling your talents and experience, partnering with your AARP State Office, and promoting the active engagement of your neighbors, you are giving back to society, accomplishing the mission of our Association and leaving a rich legacy for those who will follow you.

Congratulations and best wishes for your continued success.

Sincerely,

Jeannine English
